NED University of Engineering & Technology,  
University Road, Karachi, Pakistan.**

Email: [conference@cloud.neduet.edu.pk](mailto:conference@cloud.neduet.edu.pk)

Phone No: +92-21-99261261-68, Ext: 2281, Fax: +92-21 99261255

Webpage: <https://ftqahe.neduet.edu.pk>

## **Background**

Quality Assurance in higher education is always an essential topic in developing countries like Pakistan. Due to the limited expenditure of budget, low accessibility towards the IT resources and limited number of varsities, it is the immense need of the time to gauge the current maturity of quality assurance in higher education. Rapid change in best practices, technology and alternate solutions to education due to pandemics, it is the core requirement of the nation to gather the experts and professionals, to forecast the new trends and solutions for the improvement in quality assurance in higher education of the country.

## **Themes**

The main scope of the conference is Quality Assurance in Higher Education, which majorly covers the following aspect;

1. Advancements in frameworks for Government- Academia-Industry Relationship
2. Design for Quality: Frameworks for the Development of curriculum, programme and courses
3. Self-Assessment frameworks for the Quality Education
4. Impact of Quality 4.0 over the higher education
5. Quality evaluation and assessments
6. Impact of outcome-based education over the quality of HEIs
7. Quality of education in online teaching and distant learning
8. Ensuring quality of higher education during the COVID-19 and other pandemics
